Focus on
Cultural
& Natural
Heritage*

The St. Lawrence Parks Commission has prepared a management plan for all of its operations, including the historic sites at Crysler Park and Old Fort Henry.

Commonwealth has been retained by the Commission to prepare a statement of commemorative integrity for Upper Canada Village and the associated battlefield and Seaway commemorative sites.

This policy work also includes an assessment of current development proposals for lands adjacent to these historic sites, and a public participation process through which guidelines for compatible development are being identified.

Christ Church, built in 1837

The Upper Canada Village Store, storefront dating to 1865

An old-fashioned picnic at the school yard

Soldiers of the Fort Henry Guard, including the Fife and Bugle Corps, arriving to help in the celebration of the Queen's Birthday on May 24th. Later that day, Villagers will confront the Guard in a game of baseball played by the Boston rules just as it was done in the mid-1800s at Upper Canada.
